Etowah County Schools

Instructional Plan
April 6, 2020 - May 21, 2020
The purpose of this instructional plan is to provide a guaranteed and viable curriculum for all students in the Etowah County School System for the final few weeks of school. This plan will allow our teachers to support student learning so they will be prepared for the next course.

The health and welfare of our students and staff is a top priority. During this time of uncertainty, we want to insure that schoolwork does not cause an additional hardship. Although we know the instruction will look different, we will work with families and will be flexible as we face challenges together.
Instructional Plan

- The goal is to provide activities and facilitate learning for the remainder of the school year.
- Teachers will provide a variety of activities and learning opportunities based on the ALSDE critical standards identified for each subject and grade.
- Instruction will begin on Monday, April 6, 2020, and end on May 21, 2020.
Instructional Plan

- Google Meet and other online platforms will be part of the instructional platform for all grades.
- All students have email accounts.
- Teachers will contact their students to share the instructional plans and expectations.
- Instruction may include pre-recorded videos, computer adaptive program assignments that can be completed virtually.
- Packets will be available for students who do not have access to online learning.
Instructional Plan

- Instructional activities can be done at any time. Therefore, devices can be shared among family members if necessary.
- Lessons will be posted and completion dates will be given.
● Seniors on track to graduate and in good standing as of the third nine-week reporting period will be considered “as meeting the graduation requirements” for the State of Alabama.

● Seniors who have not met all graduation requirements will need to complete these requirements.

● **Seniors not on track to graduate will be allowed to pursue credit recovery as directed by the local school administration.**

● Seniors enrolled in AP and/or Dual Enrollment courses should comply with expectations from AP and/or the sponsoring college or university regarding the completion of the course.

● Our goal is for seniors to graduate on time.
First Class Pre-K students will receive information from your child’s teacher concerning family activities.

Students are expected to participate and complete assignments in order to reinforce critical academic standard and prepare students for the next grade or course.

Students will receive feedback from their teachers.

ECS is mindful of all accommodations and/or goals/plans for specific populations (IEP, 504, ELL).
